

UNDERGRADUATE DEGREE: CYBERSECURITY (BS)

Bachelor of Science (B.S.) in Cybersecurity

As new technological innovations continue to proliferate in our society, so do the opportunities for technology exploitation. Once the purview of a few “geeks” and “hackers,” cyber and computer crime has evolved to include a large following of increasingly sophisticated, and organized criminals. As cybercrime continues to expand, the need for highly-skilled professionals in cyber and digital forensics also increases. The *B.S. in Cybersecurity* degree program will help prepare you to fight *cybercrime*, *cyber stalking*, and *cyber terrorism* in an increasingly dangerous *cyber world!*
